Note:

1. Unless a special agreement exists between GOODWE and the battery manufacturer, for the above battery packs NOT listed in our 'APPROVED BATTERY OPTIONS STATEMENT', but which have completed the compatibility test with the GOODWE inverter, it is the responsibility of installer/system integrator to check the battery safety as well as system performance and reliability. GOODWE shall guarantee the performance of the inverter under the normal working conditions within the limited warranty term and provide limited technical support if applicable. However, GOODWE shall assume no liability for system malfunctions and any incurred loss or damages whatsoever.
2. It is the responsibility of installer/ system integrator if the battery hardware or firmware have any changes.
